1 **MONROE COUNTY, FLORIDA**
2 **STANDARD LEGAL SERVICES AGREEMENT**
3 **(LITIGATION)**
4

AGREEMENT NUMBER:
CAY LIT 2005-05-01

5 **THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA**, as the
6 legislative and governing body of Monroe County, Florida, and in accordance with the powers
7 enumerated in Section 125.01, Florida Statutes (the "County") and
8 ROBERT H. FREILICH, ESQ. (the "Attorney") hereby
9 enter into this Agreement regarding the retention of Attorney by County to provide legal advice and
10 services:
11

12 **1. Client:** The Client is the County, and to the extent ethically permissible, its elected and
13 appointed officers and its' employees, unless County advises Attorney otherwise. In the event that
14 Attorney cannot ethically represent individuals in addition to County, Attorney shall advise County
15 in writing of that fact immediately.
16

17 **2. Attorney:** The Attorney is the individual named above and whose signature appears at the
18 bottom of this Agreement. Attorney is licensed to practice law in all jurisdictions relevant to this
19 matter. If Attorney practices with others who may also provide services to County, he or she
20 understands that County expects that Attorney will be responsible for managing the representation,
21 assuring compliance of others with the terms of this Agreement and ethical requirements, preparing
22 and substantiating all bills, and communicating with County. Attorney may not delegate or
23 outsource this work without full written disclosure to, and prior written approval from, the County.
24

25 **3. Matter:** Attorney has been retained by County in connection with the matter described in
26 **Exhibit A.** Attorney represents that he or she is competent and available to handle that matter. In
27 the event that additional matters are assigned by County to Attorney, this agreement shall apply to
28 those matters as well, unless a separate Agreement is required by the County.
29

30 **3.1. Review of ethical obligations before initiating representation:** Attorney has
31 conducted a thorough investigation and determined that neither Attorney nor his or her firm has any
32 ethical impediment, real or potential, to representing County. To the extent that any ethical
33 impediment, real or potential, is discovered or ever arises, Attorney shall immediately inform
34 County in writing of the impediment (regardless of whether Attorney believes he or she has taken
35 all steps necessary to avoid the impediment and regardless of whether Attorney believes that the
36 impediment is insubstantial or questionable), make full disclosure of the situation to County, obtain
37 County's express, written consent to continue the representation of the other client, and take all steps
38 requested by County to avoid or mitigate the impediment. Attorney understands that, if a direct or
39 indirect conflict of interest arises which, in the opinion of the County, cannot be avoided or
40 mitigated under the Rules of Professional Conduct of The Florida Bar, County may, in its discretion,
41 (a) obtain reimbursement from Attorney for all fees and expenses paid to Attorney in this matter;
42 (b) obtain cancellation of all amounts allegedly owed by County to Attorney; and (c) obtain
43 reimbursement for consequential expenses incurred by County, including the cost of replacement
44 counsel.
45

1 **3.2. Limitations to scope of representation:** Except where prohibited by the Rules of
2 Professional Conduct of The Florida Bar, the Monroe County Attorney's Office will serve as co-
3 counsel in all matters covered by this Agreement. As co-counsel, the Office attorney's will assist
4 Attorney by performing tasks assigned by Attorney, including but not limited to serving as local
5 counsel; securing the cooperation of County employee's, officers, and others in discovery and other
6 matters; obtaining evidentiary materials from County files; assisting with discovery; attending
7 hearings and depositions; filing pleadings; arranging for closed attorney-client sessions with the
8 Board of County Commissioners; and performing other tasks as necessary and convenient for
9 Attorney. Decisions as to tactical approaches to be utilized shall be the ultimate responsibility of
10 the Attorney, and issues which rise to the level of a client decision shall be resolved by the Board
11 of County Commissioners. Any further limitations or special conditions shall be as set forth in
12 **Exhibit A.**

13
14 **3.3. Term of Agreement and Representation:** This Agreement and representation by
15 Attorney is effective upon acceptance and approval by County in accordance with County's policies,
16 ordinances, or governing statutes. The representation shall continue until terminated by either the
17 County, or by the Attorney in accordance with ethical requirements.

18
19 **3.4. County expectations and goals:** The County expects the Attorney to seek the best
20 resolution for the County at the lowest reasonable cost to the taxpayers. At the earliest reasonable
21 point during the representation, the Attorney shall report to the County, via the County Attorney,
22 any reasonable potential for settlement, including related settlement costs and expenses, the
23 estimated chances of the County prevailing on the merits, and the potential financial exposure
24 should the County not prevail on the merits. Any other expectations and goals shall be as set forth
25 in **Exhibit A.**

26
27 **4. Attorney Fee (Hourly):** Attorney will be paid for his or her services based on the number
28 of hours expended on behalf of County (rounded to the nearest tenth hour for each time entry), not
29 to include time billable to or compensated by other clients, multiplied by the Attorney's hourly rate
30 as set forth in **Exhibit A.** The following minimum billing documentation and time-keeper
31 requirements are a condition precedent to payment by the County.

32
33 **4.1. Non-billable time:** Attorney will bill County only for time reasonably and
34 necessarily incurred to render professional services on County's behalf in accordance with this
35 Agreement. Time attributable to billing questions is not billable. Time expended by time-keepers
36 who have not been approved by County as indicated on **Exhibit A** is also not billable.

37
38 **4.2. Changes to hourly rates:** Attorney will charge no more than the hourly rate quoted
39 in **Exhibit A** throughout the duration of the matter, unless otherwise agreed in writing signed by
40 County.

41
42 **4.3. Discounts to other Clients:** The rates Attorney will charge County represent the
43 lowest rates charged by the same time-keepers to other clients. In the event that lower rates or
44 discounts are provided to other clients, Attorney and approved time-keepers will also provide them
45 on the same basis to County.

1
2 **4.4. Additional time-keepers:** Additional time-keepers may not be added to the matter
3 without advance written approval from County. In the event that additional time-keepers providing
4 services which are to be billed to the County are to be added to the staff, then their hourly rates shall
5 be provided to County in advance, and, upon written approval by the County, their rates and billing
6 practices shall comply with the requirements of this Agreement. Additional time-keepers approved
7 by the County are listed in **Exhibit A** to this Agreement, and this **Exhibit A** may be amended from
8 time to time, upon mutual agreement of the County and the Attorney, to evidence the then-current
9 circumstances.

10
11 **4.5. Existing work product:** To the extent the Attorney makes use of existing work
12 product, e.g., in the form of research previously performed for another County, then Attorney may
13 bill only that time expended in using that work product for County. In other words, no premium,
14 markup, or other adjustment may be made to bill County for time spent on work already performed.
15

16 **4.6. Travel:** Travel restrictions, including restrictions on billing time during travel, are
17 set forth below.
18

19 **5. Billing of Fees and Expenses:** Attorney shall comply with the following requirements as
20 to billing fees and expenses as a condition precedent to County's obligation to pay each bill:
21

22 **5.1. Monthly bills:** Unless otherwise agreed in a writing signed by the County, bills shall
23 be issued monthly by Attorney within 15 days after the close of each month. Attorney understands
24 that County requires prompt bills in part to facilitate effective management of the representation and
25 fees.
26

27 **5.2. Bill format:** Attorney shall provide detailed, itemized bills which shall, at a
28 minimum:
29

30 **5.2.1 Description.** Provide a general description of the matter, to include the name
31 of the County department or constitutional officer, if not indicated in the title of the matter, for
32 which legal services are being performed (e.g. Richard Roe v. Monroe County-EEO Claim).
33

34
35 **5.2.2 Personnel.** Clearly identify each person performing services (i.e., time-
36 keepers) in conjunction with each entry.
37

38 **5.2.3 Other Personnel.** Clearly identify all persons who are not full-time lawyers
39 employed by the Attorney's firm (including subcontractors, independent contractors, temporary
40 employees, and outsourcing providers).
41

42 **5.2.4 Time Records.** Record the time expended by each time-keeper separately.
43 In those situations where the minimum billing increment exceeds the actual time spent on a task and
44 several of these "minor" tasks are performed, it is expected that the services will be aggregated until
45 the total actual time spent meets the minimum billing increment.

1 **5.2.5 Totals and By Task.** State the amount of time expended by each time-keeper
2 daily (and, within each day, broken down by task where more than one project or task was worked
3 upon within the same day).
4

5 **5.2.6 Task Description.** Describe within each itemized daily task entry, in sufficient
6 detail to readily allow the County to determine the necessity for and reasonableness of the time
7 expended, the services performed, the project or task each service relates to, the subject and purpose
8 of each service, and the names of others who were present or communicated with in the course of
9 performing the service. Included should be a reasonably specific delineation of services sufficiently
10 itemized to allocate time within a matter to such categories of effort as Legal Research, Fact
11 Gathering, Internal Conferences, Communications with Client, Particular Document Drafting, Court
12 Appearance, Deposition Attendance, and so forth.
13

14 **5.2.7 Summary of Rates.** In a summary at the beginning or end of the bill, provide
15 the current hourly rate for each time-keeper, the total time billed by each time-keeper in that bill,
16 the product of the total time and hourly rate for each time-keeper, the total fees charged, and a
17 reconciliation between the amount charged and any applicable estimated or budgeted amount, by
18 task. In addition, each monthly statement should show the aggregate billing for that matter from the
19 commencement of the matter through the currently-billed month.
20

21 **5.2.8 Digital/Electronic Copy.** County is currently using Time Matters and Time
22 Billing software in the County Attorney's office, and prefers that an electronic reporting software
23 which can be incorporated into the County's software data base for tracking and reporting purposes
24 be used by Attorney. Attorney should discuss the capabilities of Attorney's billing system with
25 County before rendering the first bill. County should receive a digital electronic/computerized
26 version of each bill, together with a paper copy, to facilitate bill review.
27

28 **5.3. Expenses:** County will pay the actual, reasonable cost of the following expense
29 items if incurred in accordance with the guidelines below and promptly itemized in Attorney's
30 monthly bill:
31

32 **5.3.1 Reimbursable expenses:** Actual cost for necessary long distance telephone
33 calls, telecopying at \$.25 per outgoing page, overnight or expedited delivery, couriers, photocopying
34 at \$.15 per page, postage, court fees, and other expenses approved in advance by County or as listed
35 below:
36

37 **5.3.1.1. Expedited or emergency services:** Attorney is expected to
38 avoid using expedited or emergency services, such as express delivery services, couriers,
39 telecopying, overtime, and so on, unless necessary because of unexpected developments or
40 extremely short deadlines. County may refuse to pay for any such expenses when incurred routinely
41 or because of Attorney's failure to manage the matter efficiently.
42

43 **5.3.1.2. Computerized research:** Attorney is expected to use
44 computerized research services cost-effectively to reduce time spent on research, for example, while
45 closely-monitoring computerized research to insure that the charges are reasonable and

1 necessary. Attorney is expected to pass through to County any discounts or other arrangements that
2 reduce the cost of computerized services.
3

4 **5.3.1.3. Photocopying:** Attorney is encouraged to use outside
5 copying services to reduce the cost of large-volume copying, provided that these expenses are
6 efficient, cost-effective, and incurred and billed in accordance with this Agreement. Attorney is
7 responsible for insuring that all copying complies with copyright obligations.
8

9 **5.3.1.4. Transcripts:** Transcripts should not be ordered without prior
10 approval from County. Transcripts should not be ordered on an expedited basis unless necessary
11 and approved in advance by County. Attorney should obtain digital electronic/computerized copies
12 of transcripts when available at a reasonable cost to avoid charging for time spent digesting or
13 indexing transcripts, and to allow County to maintain a digital electronic/computerized database of
14 all transcripts.
15

16 **5.3.1.5 Travel Expenses:** Travel expenses within the Attorney's
17 local or metropolitan area will not be reimbursed if the time spent in transit is billed. Travel
18 expenses outside the metropolitan area may only be reimbursed if the travel was approved in
19 advance by County. Reimbursable travel expenses, if approved in advance, are the cost of
20 transportation by the least expensive practicable means (e.g., coach class air travel), the cost of
21 reasonable hotel accommodations, and the cost of transportation while out of town (e.g., by cab or
22 rental car, whichever seems reasonable, at the lowest available rate). Travel expenses will be
23 reimbursed in accordance with the applicable provisions for "approved travelers" of the Monroe
24 County Code, will be summarized on the Monroe County Travel Form with all applicable receipts
25 attached thereto.
26

27 **5.3.1.6 Travel Time.** Time spent in transit, locally or otherwise, may
28 be billed only if (a) Attorney or time-keeper is unable to avoid traveling by using other forms of
29 communication and (b) Attorney or time-keeper is unable to bill time in transit to other clients.
30 Travel by more than one time-keeper at the same time to the same destination is not allowed without
31 prior approval from County. Approved travel time during time-keeper's normal business hours will
32 be billed at the hourly rate listed for the time-keeper on **Exhibit A**. Approved travel time outside
33 of time-keeper's normal business hour's will be billed at one-half the hourly rate listed for the time-
34 keeper on **Exhibit A**.
35

36 **5.3.2. Non-reimbursable expenses:** The following expenses will in no event be
37 reimbursable, unless specifically agreed to in advance in a writing signed by County:
38

39 **5.3.2.1. Personal and Office Costs.** Meals for time-keepers,
40 overtime, word processing or computer charges, personal expenses, expenses that benefitted other
41 clients, expenses for books, costs of temporary employees, periodicals or other library materials,
42 internal filing or other document handling charges, clerical expenses, stationery and other supply
43 expenses, utilities, and any other expense that is either unreasonable or unnecessary. (The fact that
44 the firm charges other clients or that other firms charge their clients for an expense does not make
45 it reasonable or necessary.)

1
2
3 **5.3.2.2. Experts, consultants, support services, outsourced**
4 **services, etc.** Attorney is not authorized to retain experts, additional counsel, consultants, support
5 services, or the like, or to out source or delegate work outside Attorney's law firm, without prior
6 written approval by County. Attorney will be responsible for selecting and managing the services
7 of others so that their services and expenses will be rendered in accordance with the terms of this
8 Agreement, including terms applicable to Attorney. Attorney will manage others to obtain cost-
9 effective services for County. Unless otherwise agreed in writing, Attorney shall obtain a written
10 retainer agreement, in a form which may be specified by County, from each service provider, with
11 bills from each provider being sent to both Attorney (for management purposes) and County (for
12 review and payment).

13 **5.3.2.3. Expenses not passed through at actual cost.** County will not
14 pay any markup for expenses. County will only reimburse the Attorney for their actual approved out-of-
15 pocket costs and expenses, whether incurred personally by an approved time-keeper or incurred by other
16 approved personnel (such as experts, consultants, support services personnel, or outsourced services
17 personnel).

18
19 **5.3.2.4. Overhead not charged to County.** County will not pay for any
20 "expense" items that are in fact part of Attorney's overhead which should be included within Attorney's fee.
21

22 **5.3.3. Advance approval of expenses.** In addition to the items noted above, Attorney shall
23 obtain advance approval from County before incurring any expense in excess of \$ 1,000.00 if Attorney
24 expects to be reimbursed for that expense. County may refuse to pay any expense for which advance
25 approval was not obtained by Attorney.
26

27 **5.3.4. Copies of receipts for expenses.** Attorney shall include copies of receipts for all
28 expenses with the itemized monthly bill. County may refuse to pay any expense item for which
29 documentation is not provided by Attorney.
30

31 **5.3.5. Expenses (and fees) after termination.** Upon termination of the representation,
32 Attorney shall promptly bill County for any remaining reimbursable expenses and fees. County may refuse
33 to pay any fees or expenses not billed within 45 days of termination of the representation. Attorney is also
34 expected to cooperate promptly with all aspects of termination and, if applicable, transition to other counsel.
35 Payment for fees and expenses is contingent upon prompt, full cooperation.
36

37 **5.4. Bill and expense documentation.** Attorney understands that Attorney must have
38 documentation to support all aspects of each bill, including fees and expenses, and must maintain that
39 documentation until at least one year after the termination of the representation. This documentation shall
40 be made available by Attorney to County (or County's designated representative, including an accountant,
41 the County Clerk or County Clerk's representative, or legal bill auditor) upon County's written request.
42 Attorney agrees to cooperate with any examination of this documentation and Attorney's fees and expenses,
43 e.g., by responding promptly and completely to any questions County or its designated representative may
44 have. Attorney shall notify County in writing at least 60 days in advance of destroying any such records and,
45 in the event that County requests that they be preserved, shall preserve them at least one additional year or,
46 at the option of the County, delivered to the County for storage by the County, with County responsible for
47 paying the actual cost of storage. This documentation shall include, for example, original time records,

1 expense receipts, and documentation supporting the amount charged by Attorney for expense items generated
2 by the Attorney or his or her firm. County reserves the right not to pay any fee or expense item for which
3 sufficient documentation is not available to determine whether the item was necessary and reasonable. Upon
4 prior written Agreement by the County, Attorney may provide the documentation in digital electronic form
5 in Adobe Portable Document Format (PDF) or in Alchemy format in lieu of the manual preservation
6 requirements detailed above.
7

8 **6. Payment terms:** Attorney's request for payments and reimbursements may be made in either the
9 Attorney's name or the name of the Attorney's law firm, as appropriate. Attorney bills complying with this
10 Agreement are due and payable upon receipt. If the bill materially fails to comply with the requirements of
11 this Agreement, then it is not due and payable until its deficiencies are remedied by Attorney. County is
12 entitled to a 1% prompt payment discount if a bill is paid within 15 days of receipt by County or correction
13 of deficiencies by Attorney, whichever is later, (or if the bill is satisfied by funds held by Attorney, e.g., in
14 a trust account). County shall not be liable for interest or other late charges unless specifically agreed to in
15 advance in a writing signed by County.
16

17 **7. Budgets.** Attorney will, within thirty (30) days after the effective date of this Agreement, prepare
18 an estimate or budget of the likely costs, by task, of this matter, including fees and expenses, and a plan for
19 handling the matter. Attorney will update the budget and plan at least once every three months. In the event
20 that Attorney obtains information indicating that the budget (or any line item) may be exceeded by more than
21 five percent, he or she will notify County of that immediately. In a written statement accompanying each bill,
22 preferably in tabular form. Attorney will reconcile the budget with each month's bill, e.g., by explaining
23 whether the billed amounts, by task, are more or less than the amounts budgeted therefore. County shall have
24 the right not to pay any amounts that are over budget or not included within the budget.
25

26 **8. Staffing and matter management.** Attorney has been retained specifically because Attorney,
27 personally, is understood by County to be able to handle this matter. Employment of additional individuals,
28 whether attorneys, paralegals, or others, who will bill time to County is not permitted without the advance
29 written approval of County.
30

31 **8.1. Time-keeper changes.** Changes in time-keepers, e.g., replacement of an attorney as well
32 as increases or decreases in the number of the time-keepers working on the subject-matter of this Agreement,
33 must have the advance written approval of County. County expects to receive discounts or other concessions
34 so that any increases or changes in time-keepers will not result in unnecessary or unreasonable charges to
35 County, e.g., for training, internal conferences, and management.
36

37 **8.2. Duplication of effort.** Unless advance County approval is obtained, Attorney will not have
38 more than one time-keeper bill for court appearances, attendance at depositions and meeting, including
39 meetings with County representatives, and internal conferences. In the event that more than one person
40 attends, only the time of the person with the lowest rate will be billable. Attorney is not permitted to use this
41 matter to provide on the job training for a time-keeper, and bill for that time-keeper's services, without
42 County's advance approval.
43

44 **8.3. Matter management.** Attorney is responsible for managing the matter cost-effectively and
45 competently, e.g., by insuring that additional time-keepers are competent, properly supervised, efficient, and
46 in compliance with the terms of this Agreement as well as with ethical obligations.
47

48 **8.4. Communications.** County will expect that all communications between Attorney and
49 County will be reviewed by Attorney and that Attorney will serve as the point of contact for this matter,

1 including billing questions. The point of contact for this matter at County is the County Attorney or the
2 individual specifically identified in **Exhibit A**.
3

4 **8.5. Case monitoring.** County will be advised promptly by Attorney of all significant facts and
5 developments in the matter so that County may manage the matter effectively and make informed decisions
6 about strategy, tactics, settlement, scheduling, costs, and other related matters. County will promptly receive
7 from Attorney copies of all orders, opinions, pleadings, briefs, memoranda (internal and external),
8 correspondence, and any other document material to the subject matter of this Agreement, such that the
9 County will have a current, up-to-date, "mirror" copy of the County's file maintained by Attorney. For
10 discovery materials or exhibits that are lengthy, Attorney should discuss them with County before providing
11 a copy. Documents available in digital electronic/computerized form should be provided in that form in lieu
12 of paper copies. Additionally, Attorney may be required to submit, on a monthly basis, a case status and
13 progress report to be submitted to the Board of County Commissioners. The format of the report shall be in
14 the form required by the County Attorney.
15

16 **8.6. Case control.** Attorney shall discuss all significant issues of strategy and tactics, including
17 motions, discovery, pleadings, briefs, trial preparation, experts, and settlement, with County before
18 implementation. Attorney is expected to exercise independent professional judgment, but to implement the
19 decisions of County as expressed to the County by the County Attorney.
20

21 **8.7. Attorney cooperation.** Attorney will cooperate with County or County's representatives
22 to promptly provide all information County requests or needs about the subject matter of this Agreement and
23 Attorney's bills.
24

25 **8.8. County cooperation.** Attorney should consult with County about all opportunities for
26 County to save money or make use of County's expertise to assist in, e.g., responding to discovery, preparing
27 for trial, locating experts, and the like. County may also have personnel and facilities available to reduce the
28 expenses related to the subject matter of this Agreement.
29

30 **8.9. Temporary staff, delegation, outsourcing.** Attorney will not bill County for the time and
31 expenses of temporary employees, including so-called "Temps" or contract attorneys or other staff from
32 outside companies, nor "outsource" or delegate work, nor charge for summer associates, law clerks, or student
33 clerks, (collectively "temporary staff" even if not temporarily employed) without full advance disclosure of
34 the employee's temporary or short-term status to County, including disclosure of the actual amount paid or
35 to be paid to the individual. Unless County expressly agrees in writing to paying additional amounts after
36 full disclosure by Attorney, Attorney may not charge County more than the actual cost paid by attorney.
37

38 **9. Confidentiality and public relations:** Attorney is not authorized to waive or release any privilege
39 or other protection of information – confidential, secret, or otherwise – obtained from or on behalf of County.
40 Attorney is to keep all confidential, privileged, or secret information confidential. This requirement is
41 perpetual, i.e., it will continue even after the termination of the relationship and this Agreement. This
42 requirement is also intended to prohibit Attorney from using information obtained from or on behalf of
43 County, including work product prepared at County's expense, for other client's of Attorney or his or her
44 firm, without County's advance written approval. Attorney is not authorized to identify County as a County,
45 e.g., for purposes of marketing or advertising, without County's prior approval. Upon termination of the
46 representation, Attorney agrees to return promptly all information obtained from or on behalf of County to
47 County. Attorney is not authorized to communicate with the public, including the press, about County or this
48 matter without the advance approval of County.
49

1 **10. Ownership of Attorney files and work product:** Attorney understands that all files and work
2 product prepared by Attorney or his or her firm at the expense of County (or for which County is otherwise
3 billed) is the property of County. Without County's prior written approval, this work product may not be
4 used by Attorney or his or her firm nor disclosed by Attorney or his or her firm to others, except in the normal
5 course of Attorney's representation of County in this matter. Attorney agrees that County owns all rights,
6 including copyrights, to materials prepared by County or by Attorney on behalf of County. Attorney shall
7 notify County in writing at least 60 days in advance of destroying any such records and, in the event that
8 County requests that they be preserved, shall preserve them at least one additional year (with County
9 responsible for paying the actual cost of storage). Attorney shall provide County with prompt access to

Re: Collins, et al. v. Monroe County, CA M 04-379
Contract: CAY LIT 2005-05-01

Dear Bob:

I have prepared a new Exhibit "A", signed it and am returning it here in triplicate, together with a triplicate signature page. Please return one executed copy of each page which I will attach to page 1-13 of your contact.

I am unable to continue at the November 2004 schedule. That schedule was agreed to before I agreed to join Paul, Hastings on February 1, 2005. You will recall that Freilich, Leitner, Carlisle was terminated on January 31, 2005 by virtue of the retirement on disability of Carlisle and Leitner. The new rates are a substantial 40% discount from Paul, Hastings rates and I am not authorized to go any lower – the firm will not approve it. The blended rate is only \$50.00 more than original rate and I am doing a substantial share of the work. The legal issues in the case are very challenging in light of the County's past actions. Mastering their complexity has been no small job.

Please present this request to the Board of County Commissioners for their determination. If necessary I will be agreeable to discuss this with the Board of County Commissioners in a telephone conference call or in person, if necessary. I don't know of any expert legal counsel on takings that would do this work at lower rates.

There are three other points that should be brought to the Commissioners' attention:

1. Our actions have already brought the state into the picture. I am sure that at the very least they will contribute to defense costs;
2. The Commissioners are committed to winning this litigation outright including trial and appeal because of the implications of all the other properties in the County that are waiting in the wings; and

3. The resources at Paul, Hastings for trial are outstanding and will be very helpful in the successful defense of the case.

I'm sure this matter can be successfully resolved.

All my best,

Sincerely,

Robert H. Freilich
